Over 2,000 Democratic Precinct Election Boards in the Democratic County Election Boards, and a solidly Democratic State Election Board—every one the creation of Mr. Taylor or his friends. Every bill following the vote cast at the election held in Kentucky on Tuesday, November 7th,

William S. Taylor 193,714

William Goebel 191,331

Taylor's Plurality 2,383

CANTRILL, like Tom CAMPBELL, will surprise no one. Neither of them can be expected to do an honest act.

"It is only skin deep," declare the Democratic Editors in their attempt to account for the McKinley Prosperity. Yet they are vigorously opposing every policy calculated to send it down.

THE Democrats are very careful in their campaign against the Ship Subsidy Bill not to say that foreign governments subsidize their merchant ships to the amount of more than \$26,000,000, and against which ships unaided American ships cannot compete.

HON. WILLIAM H. COX, Republican, of this city is the only member of the Kentucky Senate who appears to be on speaking terms with the Lord. He was called upon Wednesday to open the session with prayer—all the Preachers deeming that body, like POLK MILLER's Limburger cheese, "most too far gone!"

"JUDGE" CANTRELL overruled the bill of exceptions in the case of ex-Secretary of State CALER POWERS, convicted as accessory before the fact to the assassination of WILLIAM GOEBEL, and sentenced the prisoner for life.

The action of the partisan Judge caused no surprise.

An appeal to the Court of Appeals will be filed at once.

THAT fellow CARTER, who by the grace—or disgrace—of Goebel, presides over the Kentucky Senate and displays his venom, is an example of the truism that a pauper on horseback will ride to the devil. CARTER was fed and clothed and educated by charitable people; and now that he is a "big Ike" among the political thieves he has stung some of the very persons who put bread in his mouth when he was hungry.

SENATOR CHAUNCEY M. DEFEEW, in a speech in the New York State Convention a few days ago, delivered this ringing indictment of WILLIAM JENNINGS BRYAN:

"We all believe in the Declaration of Independence, and we all revere the principles of that immortal document. There is nothing which Colonel Bryan can say in his claim for the exclusive ownership of the Declaration of Independence that has not been more brilliantly said and actually done by other men. But when Colonel Bryan went to Kentucky, at the time when under an influence of that man he had done what he had done by his friends from the officers who had been lawfully returned as elected to the Legislature, he took the lead and gave his sanction and the weight of his great authority as a Democrat to his idea of consent of the governed? The citizens of Kentucky, who had been born and reared there and governed without their consent, were not tribes of an archipelago in the ocean, but were states, and the men who had performed heroic service for a hundred years in the battle for liberty and citizenship."

REPRESENTATIVE JOHN W. ALEXANDER of this county is not in favor of free speech—unless it's a good speaker who does the speaking.

In the Kentucky House on Tuesday, Judge LAFFERTY, Democrat, of Harrison county, offered a resolution that the House convene at 9 a. m. Wednesday, in order that a fair, free discussion might be enjoyed by all members. He did not believe, he said, that the voice of the Legislature should be throttled in order that a Committee of twelve members might consume the time of the extra session in deciding on a minority and majority report. He believed that everybody should be heard before any bills were taken before a Committee.

To the credit of the large majority of Democrats the resolution was adopted, the vote being 68 to 50—those voting against it being JOHN W. ALEXANDER, G. T. BERRY, S. W. BOOKER, J. L. EGBERT and J. P. HOLT.

NO PARTY CONVENTIONS.

BILL introduced in Kentucky House to Make Primary Elections the Sole Manner of Nominating.

Frankfort, Ky., Sept. 7.—The semi-annual session opened at 10:30 o'clock Thursday, and the first debate between the conservatives and the radicals regarding the selection of a special committee on elections was carried out. The democrats selected six partisan members on the committee and the republicans one radical, one conservative, one populist and two republicans.

A resolution providing for joint sessions of the senate and house committees was adopted.

The resolution for sine die adjournment on September 29 was entered.

Representative W. F. Hedges, of Rockcastle county, introduced a bill in the house of representatives which, if adopted, will do away with party conventions in Kentucky. It provides that the first Tuesday in August each year the primaries be held to nominate candidates for the offices to be filled at the November election. All parties casting 25 per cent. of the vote must hold primaries.

FIRE AT A STOCK FARM.

Strt. Walter, G. W. Johnson, Magian and Ornament, Valuable Stallions, Narrowly Escaped Death.

Lexington, Ky., Sept. 7.—Four of the stallions at La Belle stock farm, near this city, had a narrow escape from death by fire at 4 a. m. yesterday morning. They were Sir Walter and G. W. Johnson, owned by H. K. Knapp, of New York; Magian, property of Perry Belmont, of New York; and Ornament, owned by H. P. Hether, the owner of the farm. The stable, barns, tack room and office were entirely consumed when the fire was discovered. Sir Walter and Magian were with difficulty taken from the barn, and Ornament and G. W. Johnson from the adjoining paddocks. Fortunately none of the horses tried to run into the fire and they escaped without a scratch.

Miners Called Out.

Middlesboro, Ky., Sept. 7.—Notices have been sent to miners in the district by the United Mine Workers' union ordering all the miners out until September 10, the date set at the Coal Creek conference, when the operators and miners will meet again to consider a contract for the coming year. The miners have been working this week, but all mining has stopped Thursday, pending the settlement. The Pineville Coal Company signed the agreement, and its mines will not shut down.

Trial Postponed.

Richmond, Ky., Sept. 7.—The trial of Dock Lowry, who is charged with criminally assaulting Mrs. Miller, wife of a prominent citizen of Valley Station, was adjourned by the circuit court until December. Lowry has been in the Lexington (Ky.) jail for six months for safe keeping, but he will not be taken back, as the strong feeling against the prisoner has died out.

TESTS PATIENCE.

The Most Patient Mayville Citizen Must Show Annoyance at Times.

Nothing spoils a good disposition, Nothing taxes a man's patience. Like any itchiness of the skin. Itching piles almost drive you crazy. All day it makes you miserable, All night it keeps you awake. Itches, itch, itch! With no relief, Just the same with eczema. Can hardly keep from scratching it. You would do so, but you know it makes it worse.

Such misery is daily decreasing.

Patience learning can be cured. Learning the merit of Doan's Ointment. Plenty of proof that Doan's Ointment will cure piles, eczema or any itchiness of the skin.

Read the testimony of a Mayville citizen.

Mr. H. Post of Forest avenue says: Doan's Ointment is a wonderful preparation and cures as if by magic. For a long time I had an itching of the skin, and I could not get rid of it, and some just before a rain. Learning that Doan's Ointment was highly recommended, I got a box at J. Jas. Wood & Son's Drugstore, corner of West Second and Main Streets. I have used it ever since. Two months have since elapsed and I have had no return whatever of the affliction.

For sale for all dealers; price 50 cents a box.

An Expensive "Tip"
is the one which you cut off and throw away every time that you smoke a Five Cent cigar. There is nearly as much labor in making this end as all the rest of the cigar, and yet every man who buys a cigar cuts it off and throws it away. You get all you pay for when you smoke.

FIVE TO SIX.

Day Begins to Dawn on the Partisan Leaders at Frankfort.

The Committee muddle in the Senate was settled by the adoption of the following resolution by the Committee on Rules, which was agreed to by the Republicans and Brownings.

Resolved, That the Senate Committee on Suffrage and Elections be and the same is composed of the following members, who shall be chosen by the House said Committee, instead of the Committee as heretofore constituted:

J. W. L. Colemen, R. C. Crenshaw, J. M. Thomas, S. W. Tolson, J. H. McElroy, S. B. Hart, George H. Alexander, S. B. Hart.

The first six members are regarded as Beckham Democrats, although Mr. Crenshaw claims to be a Populist.

Senators who did not vote for the

gold men. His action in the Senate indicated that he was about ready to break away. McConnell Populist and Harrel and Alexander Democrats will oppose the method of the machine, and Cox and Kirk are Republicans.

News, news, news! It's enough to give a man the blues. Nobody married and nobody dead; nobody broken an arm or a head; nobody came in to talk of the "crap"; no one got hairy boils; no one got ulcers; no one got blisters; somebody's comment to give us a scare. Somebody thumped himself in the back; somebody ran off with his money; somebody got a new coat; somebody got a new hat; somebody got a new pair of shoes; somebody got a new car; somebody got a new house; anybody come in and pay up their dues; anything, anything, just so it's news.

I. M. LANE.

Now, if you tell us what you know then we'll tell what we know and also what you know, and then our readers will know what they know and what we know and also what you know, and what we know that you know we know you know.
